PREFACE

The history of Oaklawn Cemetery is somewhat hidden in obscurity. We find no deeds to confirm it's beginning, or any record of it's origin other that a brief mention of it in "The Peach County History".

It is believed to have been donated by James Abbington Everett, but the oldest monuments would indicate that James "Abb" Everett must have been the donor.

We found a number of graves that were said to have been moved from Pond Methodist Church, a mile and a half north of Fort Valley. That area was reportly the original Fox Valley; later Fort Valley. Legend has it that a tenant on the site used the cemetery fence to corral hogs, causing the families to move the graves to the newly created Oaklawn Cemetery. The year is unknown.

James A. Everett was first buried near the train depot and later moved to Everett Square, and in 1884, after the death of his wife, moved to Oaklawn. It is unknown if they were the first to be interred there.

INTRODUCTION

On behalf of the Central Georgia Genealogical Society and its Publication Committee, I wish to thank Guelda L. Hay and Millie C. Stewart of Bolingbrooke, GA and Davine V. Campbell of Marshallville, GA for their contribution of the Oaklawn Cemetery. Their work has been donated for publication by our Society. We also wish to thank the R.J. Taylor, Jr., Foundation who awarded the Central Georgia Genealogical Society a grant covering 50% of the estimated printer cost. Without their assistance the project may not have been undertaken. The Foundation also absorbed the expense for publishing some thirty-three additional hard bound copies for which twenty-eight will be distributed to various libraries, of their choice, within the United States. The remaining costs of printing the manuscript will be covered by this society.

Peach County was formed in 1924 from parts of Houston and Macon counties. Therefore many of the early burials were original citizens of those counties.

Fort Valley was originally established on 7 December 1825 as a Post Office in Crawford County, GA. The location was Fox Valley about 2 miles from present Fort Valley. The First Methodist Church in Fort Valley was organized in 1840 as the old Pond Church, one mile northeast of town. In 1847 the church moved to Everett Square. Deed records, however, show that the Methodist Church purchased 6 acres on 22 August 1836 that lay along lines of Land Lots 212, 213, 204 & 205.

The exact date of the first burials in Oaklawn Cemetery has not been established. No record has been found so I have arbitrarily used 1850 as the approximate date since more than a dozen tombstones date from this era. It is know that the original burials in the Old Pond Cemetery were moved to Oaklawn but the date has not been established. There is also some 20 burials of unknown Confederate Veterans, who died in Fort Valley as the result of a troop train wreck north of Fort Valley during the war (page 67).

The original part of the cemetery is located in the southwest corner of Land Lot 213, 9th District. This lot was drawn in the 1821 Land Lottery by John White of Emanuel County, GA, who received his certificate on 20 June 1825. On 29 December 1827, he sold the land lot to Mathew Dorsey of Houston County. On 22 November 1838, Mathew Dorsey sold the land lot (except 2 acres previously disposed of to Trustees of Fort Valley Academy) to James A. Everett. Other records show James A. Everett was President of the Fort Valley Academy which begin operation on 1 January 1837. Mathew Dorsey and James A. Everett were both involved with the Fort Valley Academy and the Fort Valley Methodist Church. In 1862, 48 acres on the east side of Land Lot 213 were deeded to William Ingram Greene, a brother to Mary Beauford Greene the second wife of James A. Everett, and included the residence where Mr. Greene lived.

Condederate Dead
Here rest, known to God, more than 20 Confederate Soldiers, most of whom dies in the Confederate Hospital located in Ft. Valley, in

1864 - 1865. Some of these men were killed in Troop Train wreck 3 miles north of the city while enroute to rejoin the Confederate Army of Tennessee. Located here were the Buckner and Gamble Hosptials and several temporary ones. Patriot men and women of this vicinity assisted in the care of the sick and the wounded.

CENTRAL GEORGIA GENEALOGICAL SOCIETY, INC.
POST OFFICE BOX 2024
WARNER ROBINS, GEORGIA 31099-2024

Non-Profit
Tax Exempt
Org. GA

ORGANIZATION: The CENTRAL GEORGIA GENEALOGICAL SOCIETY, Inc. was organized in October 1978 by James T. Martin of Warner Robins, Georgia. In February 1981 the Society was incorporated as a non-profit organization under the law of the State of Georgia. The U.S. Internal Revenue Service has determined that the society is a tax-exemption organization under Section 501(c)(3), U.S. Internal Revenue Code of 1954. The Society is governed by a Board of Directors consisting of the elected and appointed officers and six elected Directors.

AREA: The Society's geographical area of primary interest consists of twenty-seven contiguous counties located in central Georgia. They are: BALDWIN, BIBB, BLECKLEY, CRAWFORD, CRISP, DODGE, DOOLY, HOUSTON, JOHNSON, JONES, LAMAR, LAURENS, MACON, MONROE, MONTGOMERY, PEACH, PIKE, PULASKI, TAYLOR, TELFAIR, TREUTLEN, TWIGGS, UPSON, WASHINGTON, WHEELER, WILCOX and WILKINSON.

PURPOSE: The purposes for which the corporation is organized are:

To collect, preserve and disseminate knowledge and information with reference to genealogical and related historical, biographical and heraldic data;

To inculcate and promote interest in research in these fields;

To stimulate and provide instruction in the use of efficient methods and the adherence to principles of accuracy and thoroughness in research;

To champion ethical standards and to discourage and oppose incompetent and disreputable practices or researchers;

To foster careful documentation and otherwise promote scholarly writing;

To issue publications, and

To promote the collection and the preservation of local records which are of genealogical or historical value.

MEMBERSHIP: Membership in the Society is open to any person interested in promoting the objectives stated above. Annual dues for 1994 are: $20.00 for individual membership; $25.00 for family membership (husband and wife, or two related persons in same household).

TRAINING: At least twice each year the Society conducts classes for beginner genealogists. These classes are free for members in good standing.

WORKSHOP: The Society plans to hold an all day workshop once each year, complete with exhibits, for members and the public. The registration fee will be set to cover the Society's cost and may vary from year to year, depending upon prices charged for food, meeting facilities, speaker fees, etc.

PROJECTS: The Society undertakes special projects for preservation of genealogical and historical information, such as: microfilming old newspapers, abstracting and publishing county court records, federal census records, cemetery records, etc.

PUBLICATIONS: The Society publishes a monthly NEWSLETTER and a QUARTERLY. The QUARTERLY is published four times per year as number 1 thru 4 and is mailed to all members in good standing. The annual volume number represents the years in existence. Many other societies, who are members, receive our QUARTERLY. QUERIES, from members only, are published in the QUARTERLY free of charge. There is no limit as to the number of queries which a member may submit. BOOK REVIEWS are published when a copy of the book has

been received by the Society. After review these books are donated to the Genealogical and Historical Room, Washington Memorial Library, Macon, GA., whose holdings are one of the largest in the southeast. Members are encourage to submit ARTICLES FOR PUBLICATION in the QUARTERLY, and extra long articles may be serialized. The QUARTERLY is not copyrighted and anyone is welcome to make proper use of the contents; however, the use of articles quoted from other published sources is prohibited without permission from the copyright holder. Appropriate credit will be appreciated. The QUARTERLY is not sold by subscription. Current and back issues may be purchased from the Society when available. The Society welcomes the opportunity to publish FAMILY PEDIGREE CHARTS for members. Mimimum coverage of four generations is required. Our computer designed charts provided for as much information on the fifth generation as the second, third and fourth - most charts provide much less. Give us as much complete information as possible on available forms and separate paper.

MEETINGS: The Society holds regular monthly meetings with planned programs. These meetings are currently held at the Flint Electric Building, 1600 Elberta Road, Warner Robins, Georgia at 7pm on the third Thursday of each month. In addition to the program, time permitting, a question and answer session is usually conducted for the benefit of members who have a problem with their research, or who has found a better way for accomplishing their work. Visitors and guest are always welcome to attend regular meetings of the Society. Our current membership covers many states and we invite you to join our Society. For a membership application write to the Corresponding Secretary at address shown in the heading above or call (912) 953-3114.
